REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The specific limitations of "a second concealment flap extending over a second portion of said first cover panel, said second flap being manually positionable between closed position against the exterior of said first cover panel and an open position" are not anticipated or made obvious over the prior art of record in the examiner's opinion.

352,358 discloses a first and second cover panel B, an organizer element E located on the exterior of the first cover panel and a first concealment flap G. This reference does not however disclose a second concealment flap as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jamila O. Williams whose telephone number is 571-272-4431. The examiner can normally be reached on Monday-Friday 6:30am-3:00pm.
